Sages, leave your contemplations, brighter visions beam afar;
Seek the great Desire of nations, you have seen the Infant's star.

Come and worship, come and worship,
Worship Christ, the newborn King!

Christ's Candle

Light and Life to All!

Choir and Congregation

(Please sing when directed)

Silent night! Holy night!

All is calm, all is bright 'round yon virgin mother and Child;
Holy Infant, so tender and mild,
Sleep in heavenly peace, sleep in heavenly peace.

Silent night! Holy night!

Son of God, love's pure light, radiant beams from Thy holy face,
With the dawn of redeeming grace,
Jesus, Lord at Thy birth, Jesus, Lord at Thy birth.

As with gladness men of old did the guiding star behold;
As with joy they hailed its light, leading onward, beaming bright,
So, most gracious Lord, may we evermore Your splendor see.

Holy Jesus, every day keep us in the narrow way;
And when earthly things are past, bring our ransomed souls at last
Where they need no star to guide, where no clouds Thy glory hide.

Hail the heaven-born Prince of Peace! Hail the Sun of
Righteousness!
Light and life to all He brings, risen with healing in His wings.
Mild He lays His glory by, born that we no more may die,
Born to raise us from the earth, born to give us second birth.
Hark! The herald angels sing, "Glory to the newborn King."
